

GVCA BASKETBALL COURT

THE BASKETBALL COURT

Dear Basketball Enthusiast:

The GVC Basketball Court has been provided for all residents to use and serves as a volleyball court as well—you supply the net! It is a very active recreational facility in our community and is certainly enjoyed by all. If basketball nets, hoop, ring or backboard repair is required, please contact the Architectural Director. The Basketball Court is examined yearly for safety and we hope to repave and add appropriate floor markings in the near future. Floor markings will be designed at the High School level for a single hoop.

Due of its close proximity to residential homes and for your safety, the following rules do apply:

-  No Littering, Keep This Area Clean
-  Do Not Use Equipment Improperly
-  No Pushing or Shoving
-  Wear Proper Foot Wear At All Times
-  No Dogs Allowed
-  No Games or Activities Are Permitted on the Basketball Court After Dark

(See Virginia Code 18.2-119)
