

SPRING / WINTER CLEANUP BEGINS AT GREENTREE VILLAGE

After the winter and accumulated debris and before the summer fun begins, Spring and Winter is clean-up time in Greentree Village and the Clean Fairfax Council helps to make our clean-up day more successful by providing us with trash bags, hats, vests and auto litterbags.

Please meet at the Basketball Court. Volunteers will help clean up litter and debris around our neighborhood. Refreshments and goodies will be provided to all volunteers. Your participation is very much needed, so bring your gloves and help make your community an environmentally safe and clean place to live!

In addition, Greentree Village will be supplying a dumpster for the Cleanup Day for all residents to use. This dumpster will be located near the Basketball Court. So, empty your basements and clear your attics. Certain items are prohibited (i.e., no paint) and will be posted on the dumpster.

Refreshments Provided

- Where: Meet at the Basketball Court at 9:30AM
- When: See Community Bulletin Board or visit the website at www.greentreevillage.net/events
- Rain Dates: Will Be Announced

PLEASE HELP—ALL HANDS NEEDED
