Keen Mill Cemetery Restoration

Dear Tommy:

I wanted to take this opportunity to thank you in writing for restoring the old Keen Mill Cemetery located in the Greentree Village Community.

I have received numerous telephone calls from residents expressing how very thankful they are to you, your Eagle Scout associates and the members of the Burke Ward of the Church of Jesus Christ of Latter Day Saints for the tremendous job you did in both coordinating and providing the leadership skills and tenacity to complete this much needed task.

You and your team members *more* than earned your credits required for your merit badge and our appreciation along with your generosity will not be forgotten.

Mr. Tom Crompton, your father, had forwarded to us the slide show of the before and after pictures of the cemetery and we have forwarded these pictures to Mr. Jack L. Hiller, our local historian, for his files.

We have also reprinted the pictures in the December issue of our newsletter entitled "The Bark" which I have enclosed herein.

Again, thank you for your combined efforts with our Board of Directors, Mr. Brian Rever and Mr. Tawn Gorbutt, and our sincere thanks goes to all who joined in to make this historical landmark a pleasant place to visit.

Sincerely,

Nonie Stager
